

The Swiss Institute Experience

£36

The Swiss Institute Experience summarises seven years of exhibitions, performances, concerts, talks, and readings at the Swiss Institute Contemporary Art New York.

The book aims to recreate the unique program structure as well as the cutting-edge profile of one of the most successful non-profit organisations in New York between 2006 and 2013.

It includes printed matter such as invitation cards, posters, and memorabilia from the Swiss Institute archive as well as five conversations between some of the most prolific artists of our time.

Published with the Swiss Institute Contemporary Art, New York.
