

Jimmie Durham
Waiting To Be Interrupted. Selected
Writings 1993 - 2012

£22.95

Jimmie Durham, artist, poet and political activist, has been one of the most influential figures of recent decades.

This volume of writings comprise a selection of essays and conferences on art and society, critical reflections on 'Eurasia', the history of US-American Indian relations, and observations on the city and nature.

A recurrent theme is his interrogation of the ideological complicity between monumental architecture and scripture – 'architexture' – as the foundation of Eurocentric belief and tool of others' disenfranchisement.

Here, words, like the stones and motley materials he gathers for his assemblages, are remobilised otherwise; they become agents for 'interrupting' received ideas through writings that both disturb and delight, but never cease to provoke questions about the forces that shape our world.

Jimmie Durham is a rare and liberating voice in the architextural wilderness of contemporary life.

Product Details

Artist(s)	Jimmie Durham
Author(s)	Jimmie Durham, Anders Kreuger
Editor(s)	Jean Fisher
Publisher	Walther Koenig
ISBN	9788867491209
Format	softback
Pages	372
Illustrations	1 colour, 20 b&w illustrations
Dimensions	210mm x 147mm
Weight	577

Publication Date: Aug 2014
