

Aaron Curry
Bad Brain

£28

Bad Brain, Aaron Curry's eagerly awaited retrospective catalogue, features 80 artworks spanning a decade, between 2003 and 2014.

As curator, Michael Ned Holte writes, Bad Brain draws on the artist's 'teenage fondness for Eddie, the skeletal mascot of Iron Maiden and the gnarly skull drawings of Pushead, who provided artwork for Metallica t-shirts and Texas-based Zorlac skateboards; his eventual encounters with the weird figuration of the Chicago Imagists, the Hairy Who, and the oozing faces of Peter Saul during his time in Chicago; and still later his close encounters with Richard Hawkins and Mike Kelley . . . who provided support and encouragement for mining the margins (if not broad middle) of culture.'

This book also includes an interview with the artist by the curator of the exhibition, Alexis Vaillant, as well as an annotated scrapbook of Curry's work by Hawkins.

Published on the occasion of the exhibition at CAPC musée d'art contemporain, Bordeaux, 26 June – 21 September 2014.
