HARPUNE VERLAG

André Butzer

£16.00

For the first time, Harpune Verlag will be showing 136 so-called "N-Images", produced from 2012 to 2015 and photographed by Steffen Krüger/Rangsdorf, in a new artist's book by André Butzer.

Depending on the horizontal or vertical direction of their format, all portraits have been printed in the same size and put their own dimensions as well as the technical resolution of their staging in the respective studio situation into perspective.

Without a doubt, the best artist's book ever produced by André Butzer.

Published by Harpune Verlag on the occasion of an exhibition at Kunstverein Reutlingen (13 December 2015 – 28 February 2016).

Distributed in the UK by Cornerhouse Publications, via vfmk.
