

OFFICE / Kersten Geers & David Van Severen

Vol. 1, 2, and 3 (3 volume set)

£120.00

The Brussels-based OFFICE (Kersten Geers & David Van Severen) brings architecture back to the essentials: with a limited set of basic rules a framework is created within which life in all its complexity can be played out.

Models, drawings and perspectives created by the architects are displayed together with works of art that are related to the spirit and language of this firm of architects.

OFFICE Kersten Geers David Van Severen was founded in 2002 by Kersten Geers and David Van Severen. In 10 years of practice OFFICE has gained international recognition with its direct and precise projects.

In 2010 they won the Venice Biennale Silver Lion for most promising young architect, and the Belgian Prize for Architecture in 2009, 2013 and 2015.
