Art Basel’s official annual publication captures and documents the exhibitions in Basel, Miami Beach, and Hong Kong, and takes the reader beyond them, featuring interviews, portfolios, essays about contemporary art, as well as personal highlights from artists, curators, collectors, and museum directors.

With its A-to-Z format, the publication maps the world of Art Basel alongside profiles spotlighting each of the 500+ galleries that participated across the three shows in 2019.

Designed by Gavillet & Cie (Geneva), it features all the different sectors of the fair and highlights events, talks, and Art Basel’s new initiatives, offering vivid and varied perspectives on the global art world as seen through the eyes of Art Basel in 2019.

Giving art world experts, curators, and collectors a platform for sharing their expertise, the publication provides an insightful and immersive art experience for the reader.

To celebrate the 50th anniversary of Art Basel, founded in 1970, this year’s volume specifically includes an extensive ‘polyphonic timeline’ that provides textual and visual retrospective insights into the fair’s five decades and key editions, mapping and acknowledging its dynamic history and the way it has accompanied globalization and the expansion of the art world.

‘Art Basel|Year 50’ is the seventh volume of an innovative series of publications started in 2014, which constitutes a valuable archive of the current state and evolution of the art world in the 2010s.
