

**Mike Kelley**  
Timeless Painting

£52.00

'Mike Kelley: Timeless Painting' explores the influential artist's unique approach to painting as a conceptual medium.

Edited and with an introduction by exhibition curator Jenelle Porter, this publication reproduces twelve series of paintings from 1994 through 2009.

These paintings are positioned alongside written responses to Kelley's work by a diverse group of artists that Porter has invited to contribute: Edgar Arceneaux with Kurt Forman, Carroll Dunham, Daniel Guzmán, Richard Hawkins, Jay Heikes, Jamian Juliano-Villani, Christina Quarles, Mary Reid Kelley, and Laurie Simmons.

In writing that ranges from personal anecdote to art historical analysis, cento poem to epistolary ode, these artists consider the enduring relevance of Kelley's practice both as a painter and as an artist more broadly.

Published on the occasion of the eponymous 2019–20 exhibition at Hauser & Wirth, New York.
