

Juliette Blightman / Dorothy
Iannone
(TA)ROT TAROT

£38.00

In 2020, Juliette Blightman (b. 1980) invited Dorothy Iannone (b. 1933) to work on a collaborative exhibition for the Ko?Inischer Kunstverein.

The work (Ta)Rot Pack (1968–69) by Iannone is the seed for this three-part project: “Love is the inspiration of my work. I made (Ta)Rot Pack, a series of 27 cards depicting the life of Dieter Roth, my beloved and my muse, in the early period of our relationship.”

The (Ta)Rot Pack led Juliette Blightman to the idea of another version of the Tarot cards, her series ‘Stages of Seed Development’ (2020). She says, “I replicate the original Tarot cards, titling each work after one of the major arcana, using different motifs that reoccur in my work.”

This publication can be seen as the everlasting manifestation on this exhibition project in the juxtaposition of the Tarot cards of both artists.

Published on the occasion of the exhibition at Ko?Inischer Kunstverein (2020), and at Vleeshal Center for Contemporary Art, Middelburg (2020/21).

English and German text.
