

Magali Reus
Park Cities. Knaves

£29.00

Magali Reus' new photographic series, Knaves documents an array of mushrooms in headshot-like close up.

As though in an al fresco portrait studio, the fungi are posed against backdrops of colourful vintage t-shirts – synthetic intrusions into the natural landscape.

This beautifully designed artist book sets images from the series within the sepia-tinted pages of a 1990s telephone directory for Park Cities – an area of Dallas whose name acts as shorthand for the way in which urban design domesticates nature for ease of human use.

Novelist, Kathryn Scanlan's text zooms in on a series of fleeting quotidian dramas, mobilising a cast of evocatively named characters that, like Reus' fungal protagonists, bloom and then disappear.

Key Selling Points

Magali Reus (b. 1981, Den Haag, NL), lives and works in London, UK.

Product Details

Artist(s)	Magali Reus
Author(s)	Kathryn Scanlan
Editor(s)	Julia Mullie?
