

Amelie von Wulffen
Ausstellungen / Exhibitions 2018 - 2022 £25.00

Since the artist's comprehensive monograph was published in 2017 ([click here to view](#)), many new paintings and sculptures have been created. They address emotional and also psychoanalytical issues.

At the core of the interest lies the relationship between autonomy and heritage, the unconscious and the conscious, the carrying along of trauma or guilt, as well as hidden longings, fantasies, or the disclosure of shame.

Published on occasion of the exhibition 'Amelie von Wulffen', 25 May – 14 Jul, Kunsthalle Bern.

English and German text.
