

Key title information

Philippe Decrauzat Delay

£44.00

This book on Philippe Decrauzat is not an ordinary monograph publication but was thought of as a tool allowing both to apprehend the work of the Swiss artist, but also and above all, to deepen the research fields and themes that the artist summons or evokes.

This book is the first major publication devoted to the work of Philippe Decrauzat. It presents a series of essays as well as an important iconography of the artist's films, paintings, installations and sculptures from the past fifteen years.

Philippe Decrauzat is shortlisted for the Marcel Duchamp / Pompidou prize 2022.

This is the English Edition of this title.
