

## Bodypolitix

£5

Published alongside the group exhibition of the same name (Witte de With, 8 September – 16 December 2007), Bodypolitix takes a contemporary look at an age-old fascination, seeing sex through the eyes of 70 artists, film-makers, activists, photo-journalists, musicians and magazine editors. By means of visual juxtaposition, the exhibition sets out to examine the demarcation of the sex industry, subculture, pop, performance and art.

Bodypolitix asks: If we have learnt from Shakespeare what love is, what can we learn from the cultural practice of pornography?
