Polo Bound for Passaic

£20

This publication focuses on the photographic work of Steffi Klenz and includes discussions of four main bodies of work; A Scape, Nonsuch, Nummianus and La Posa.

The publication creates a critical platform for discussions about ideas of architecture and contemporary photography, generating a theoretical as well as visual engagement with our current urban fabric.

The book accompanies the exhibition Nummianus, which takes place at The New Art Gallery Walsall from 11 September – 22 November 2009 and at Street Level Photoworks from 30 January – 27 March 2010.
