

Haegue Yang
Accommodating the Epic Dispersion £19.00

For the middle hall in the Haus der Kunst, Haegue Yang created an expansive installation of three independent, yet simultaneously connected parts: a complex scenery of hanging blinds that blur the boundaries between inside and outside and no longer allows a differentiation between open and closed.

Published on the occasion of the exhibition at Haus der Kunst, Munich, 9 November 2012 – 22 September 2013.
