TIME SPACE EXISTENCE

Venice 2016

£35.00

In the context of La Biennale di Venezia, the European Cultural Centre presents *TIME-SPACE-EXISTENCE* in three of its prestigious Palazzo's in Venice.

The exhibition shows an extensive combination of established architects and architects whose practice is less known, as a cross section of what can be seen as architecture today.

Their common ground is the architect's personal expression upon their reflection what architecture should and can be. This results in architecture that visually appears to be very different. Conforming to the aim of the ECC, the exhibition features architecture presented in a broad variety of artistic media.

Since then more than 150 participating architects originate from very diverse cultures representing over 50 countries and are also of different age, the works are highlighted from unusual, very personal points of view.

In addition the catalogue also shows the exhibition *VENICE DESIGN 2016* which was hosted by the ECC in Palazzo Michiel.
