

A Volume of Fanatics (Glasgow) £10.00

A Volume of Fanatics (Glasgow)/A Roomful of Lovers (Glasgow) is a collaboration between writer, Victoria Miguel, and artist, Richard Wentworth produced as part of A Roomful of Lovers (Glasgow) at SWG3 for Glasgow International Festival 2018.

Inspired by the city and site of their collaboration — SWG3’s Galvanizer’s Yard — A Volume of Fanatics (Glasgow) combines Wentworth’s Glossary, first published in Making Do and Getting By [Koenig Books, 2015] and Miguel’s 2012 Dictionary [The Proconsul, 2012], with a list of words compiled together, and transforms them into a thesaurus, celebrating their love of language and inviting readers to share in their enthusiasm.

A Roomful of Lovers (Glasgow) by Richard Wentworth and Victoria Miguel is programmed as part of the Glasgow International 2018 and presented at the Galvanizers, SWG3, from 20th April to 7 May.
