

Maria Eichhorn
Film Lexicon of Sexual Practices /
Prohibited Imports

£30.00

The publication focuses on two of Eichhorn's open-ended projects, which both have the representation and regulation of sexual imagery as their theme.

Prohibited Imports (2003/08 and 2015) now includes four books censored by Japanese customs.

Film Lexicon of Sexual Practices (1999/2005/2008/2014/2015) currently consists of twenty films.

The essays engage the critical dimension of these compelling works.
