

## Marcel Duchamp: Richard Mutt's 'Fountain'

Stefan Banz

£20.00

In this comprehensive pocketbook the Swiss curator, Stefan Banz has brought together and evaluated all the relevant documents and sources relating to Richard Mutt's 'Fountain' alias Marcel Duchamp.

At least one thing is certain after reading them: baroness Elsa von Freytag-Loringhoven had definitely nothing to do with the creation of 'Fountain'.

In addition, Banz has succeeded in writing a highly inspiring book containing many new and revealing ideas that present this work of the century in a much more differentiated light.
