

## Street Art Brazil

£30

The cities in Brazil are some of the world's liveliest and artistically innovative centres for graffiti art.

Brazil's colourful, dynamic and unique movement stands in direct opposition to the American and European street art scenes, both in terms of content and aesthetics.

This book introduces and documents works by 11 artists, who were invited to Frankfurt in Germany to create new works in public spaces. Each copy of this publication has a unique spray-painted cover.

Published on the occasion of the exhibition *Street Art Brazil* at Schirn Kunsthalle Frankfurt, 5 September – 27 October 2013.

English and German text.
