

## New title information

### Pidgin Erika Tan

£9.95

Coinciding with the exhibition of her installation *Pidgin: interrupted transmission* in 2001, this small-format book considers this keynote work alongside the rest of Erika Tan's inventive and multifaceted practice.

Echoing the linguistic and iconographic dexterity of the work itself, this imaginatively designed publication features essays by Nikos Papastergiadis and Steven Bode, and an in-conversation between the artist and Simon Willmoth.
