

Nástio Mosquito Daily Lovemaking

£10.00

This publication accompanies the first solo exhibition of work by Nástio Mosquito (Daily Lovemaking, Ikon Gallery, 4 February to 19 April 2015), who is emerging to be one of the most exciting artists of his generation.

Rooted in the broadcast industry, where Mosquito worked previously as director and cameraman, his artistic practice is extraordinary for its energy, intelligence and wit.

It is as funny as it is confrontational, as candid as it is ironic, satirical and cool. It embraces film and music, theatrical performance, video and installation, often requiring the collaboration of others, most notably Spanish artist Vic Pereiró.

Frequently appearing in concerts and music festivals, Mosquito has also performed within the context of visual arts programmes and maintains a lively online presence.

This title features a text by independent curator, writer and artist Gaby Ngcobo.
