

## Noble & Webster

### 2000 Words

£19

Male and female, sex and violence, art and trash, the power of British artists Tim Noble and Sue Webster is the fusion of opposites.

Working collaboratively since the early 90s, the intensity of their personal relationship projects onto their materials — pulsating hearts, flowers, dollar signs, and their vulnerable, naked selves.

Part of the 2000 Words series, conceived and commissioned by Massimiliano Gioni, and published by the Deste Foundation, Noble & Webster: 2000 Words presents the entirety of their works in the Dakis Joannou Collection and includes an essay by Linda Yablonsky that examines how their long collaboration has resulted in a radical rethinking of self-portraiture.
