

A-Z of Leadership

Emotional Learning Cards

£16.95

The *A-Z of Leadership* is the latest emotional learning resource in our series featuring evocative and compelling artworks by international contemporary artists along with psychologically informed commentary and questions.

Designed to support the development of emotionally intelligent leadership, the text on the back of each card is written by Lyn French, therapist, counsellor and psychoanalytic psychotherapist.

Each of the 26 cards includes:

- On the front: an image of a commissioned artwork by a contemporary artist.
- On the back: descriptions of emotions and their opposites and what triggers them informed by psychoanalytic thinking and open questions to prompt exploration.
- + Two Extra Cards featuring a comprehensive list of emotions and questions linked to leadership.
