Burning Blue Cara Benedetto

£14.00

Burning Blue by Cara Benedetto is the sixth book of New Lovers, a series of short erotic fiction published by Badlands Unlimited.

Josey, an ex-model and struggling artist, leaves her loveless husband behind in New York to focus on her work upstate. Her retreat is interrupted when she meets brash and alluring Trish, who opens Josey up to a new sexual awakening. But when she gets her big break back in the city, will Josey's ambitions pull the new lovers apart?

Inspired by Maurice Girodias' legendary Olympia Press, New Lovers features the raw and uncut writings of authors new to the erotic romance genre. Each story has its own unique take on relationships, intimacy and sex, as well as the complexities that bedevil contemporary life and culture today.

These paperback editions pay homage to the classic covers of the Olympia Press novels. The 'soft-touch' lamination and embossed lettering on the front covers make these novellas a precious edition to any library.
