

What do relationships mean to you?

Emotional Learning Cards

£17.95

'What do relationships mean to you?' is the latest in the popular *Emotional Learning Cards* series. The images featured on the 30 cards are beautiful reproductions of contemporary artworks selected for their psychological resonance and their visual impact.

Exploring sex and intimacy, this new card set resource will be of particular use to psychotherapists, couple therapists, teachers and educators who deliver Sex and Relationships (SRE) lessons.

Featuring a colour artwork image on the front of each individual card, the text on the back of each is written by therapist, counsellor and psychoanalytic psychotherapist, Lyn French.

Emotional Learning Cards occupy a leading position in the growing fields of emotional learning and psychological therapies, bringing together the extensive experience of Iniva and A Space in both the arts and therapies.

The cards support 'meaning-making' as well as challenging often stereotypical ideas about who makes art and what its purpose might be.
