

Carolee's The Magazine of The Artist's Institute, Issue Two

£30.00

Carolee's is the second issue of The Magazine of the Artist's Institute.

Dedicated to Carolee Schneemann, it features a previously unpublished image archive from Schneemann's studio that documents half a century of morphological connections between her work and other visual material, including art, advertising, and popular culture.

A new long-form profile of Schneemann by writer Maggie Nelson accompanies this project and considers the artist's relationship to the history of her reception and Schneemann's significant influence on subsequent generations of feminists.
