

## Manfred Pernice Tutti IV

£16.00

This book documents Pernice's installation Tutti IV, where the artist placed his architectural sculpture in the middle of the room. A spiral staircase led up to the sculpture's roof.

From there, via a second staircase, the visitor reaches a bridge, which spans the Middle Hall and from which visitors can continually view the room from new perspectives.

Published after the installation at Haus der Kunst, Munich, in 2013/2014.

English and German text.
