

## BRÄTSCH:

£48.00

BRÄTSCH: is the first monograph on the work of Kerstin Brätsch.

With a chronological images section and detailed texts, this publication allows for insight into the artist's expanded painterly practice, which includes paintings on paper and mylar foil, glass works and marblings.

Also including performances and collaborative projects as DAS INSTITUT (with Adele Röder) and KAYA (with Debo Eilers and Kaya Serene).

For the first time, this book highlights the developments and connections between the various bodies of works in a comprehensive manner – a compendium on Kerstin Brätsch's art.

Published on the occasion of the exhibition, Kerstin Brätsch: Innovation at Museum Brandhorst, Munich, 25 May – 17 September 2017.

English edition.
