

Olafur Eliasson
Open House — TYT (Take Your Time)
Vol. 7

£38.00

Studio Olafur Eliasson – Open House is one of Eliasson's contributions to the Venice Biennale 2017.

This beautifully bound and printed artist's book is the seventh volume in the studio's TYT [Take Your Time] series.

Edited in collaboration with the independent curator Joanna Warsza, this self-portrait of the studio gives an idea of how Eliasson's artworks are made and thought about before they enter museums, collections, public space, and the world.

In doing so, the publication reverses the relationship between final artworks and artistic processes and includes conversations with many members of the studio team, texts by friends of the studio, and quotes from texts and books that inspire the studio's current research.
