

## Carsten Höller Henie Onstad Sanatorium

£29.00

This publication is produced in relation to Carsten Höller's exhibition Henie Onstad Sanatorium at Henie Onstad Kunstsenter in Oslo.

For this occasion, HOK is turned into a sanatorium filled with Höller's works of art.

Höller invites the people of Norway and their international visitors to come to the Henie Onstad Sanatorium, for treatment. Through a series of experimental installations and sculptures, treatment-seekers can float, slide and fly their way through the Sanatorium.

For this catalogue, renowned Italian photographer Attilio Maranzano has documented the sanatorium. The images are printed with a beautiful, extraordinarily high-gloss finish.

Published on the occasion of the exhibition, Carsten Höller: Henie Onstad Sanatorium, at Henie Onstad Kunstsenter, Oslo, Norway (12 May – 10 September 2017).

Höller has had major solo exhibitions at Tate Modern, London (2006), Kunsthau Bregenz (2008), New Museum, New York (2011), and Hayward Gallery, London (2015).
