

Andreas Schmitten Bodies

£30.00

“From an overview, Andreas Schmitten’s multi-disciplinary, post-medium body of work can be described as an uncompromising quest for self-identity and an insistent evasion therefrom. Situated within the expanded field of sculpture, his works introduce an affinity to architecture, painting, technical drawing, product design, stage design and model making, as well as to tailoring and carpentry.” (Ory Dessau)

German and English text.
