

Adrián Villar Rojas The Theater of Disappearance

£40.00

Considerations of loss and sensation, of transience and death lend Adrián Villar Rojas' monumental sculptures a tangible and comprehensible presence.

The colossal-scale works produced especially for Kunsthau Bregenz open the stage for Rojas' Theater of Disappearance.

This beautiful exhibition catalogue documents and preserves the site specific presentation – from the initial designs, through the process of installation, to the final display.

Published after the exhibition, Adrián Villar Rojas: The Theater of Disappearance at Kunsthau Bregenz, Austria (13 May – 27 August 2017).

English and German text.
