This title is now out of print

The *Black Dada Reader* is a collection of texts and documents that elucidates *Black Dada*, a term the artist Adam Pendleton uses to define his artistic output.

The Reader brings a diverse range of cultural figures into a shared cultural space, including Hugo Ball, W.E.B. Du Bois, Stokely Carmichael, and Gertrude Stein, as well as artists from different generations, such as Joan Jonas and William Pope.L.

Originally intended to be an in-studio publication, the Reader has expanded to include essays on the concept of Black Dada and its historical implications.
