

Dan Perjovschi The Prize Book

£29.00

Everything has a place in Perjovschi's universe. But nothing is constant. Just as our thoughts remain alive and virulent through movement, his drawings only form for a moment. Then they are painted over, rubbed out and fade.

In 2016 Dan Perjovschi received the first Rosa Schapire art prize from Freunde der Hamburger Kunsthalle. This publication is based on the artist's sketchbook, augmented by installation photos of his accompanying exhibition at the Hamburger Kunsthalle.

English and German text.
