

Martin Parr

Kleingärtner

£30.00

With 'allotment gardeners' renowned British photographer, Martin Parr has created a new series which he realised in five allotments in Düsseldorf and Krefeld.

He met Mathis (just 15 years old) who runs the garden for his father, a multi-generational operation growing strictly organic fruit and vegetables.

Parr also spoke with young parents who share a garden, with Ingo the cactus breeder, with Michael the miniature train enthusiast, and with Petra the 'tomato woman'.

'Allotment gardeners' is the loving view on one of the original German clichés: the allotment gardeners.

With his own British sense of humour, Martin Parr has created portraits of allotment gardeners that go beyond the persons.

Published on occasion of the exhibition, *MARTIN PARR: RETROSPECTIVE* at NRW-Forum Düsseldorf (19 July – 10 November 2019).
