

## Markus Lüpertz Über die Kunst zum Bild

£50.00

\*This title is now out of print\*

This catalogue brings the significance of Lüpertz's serial manner of working into focus.

More than 200 paintings and drawings reveal not only how deeply interconnected his oeuvre is, but just how much it is informed by a cinematic manner of looking at the world.

Two artistic phases are at the core of the exhibition: the time period between 1963 and 1980 and that extending from 2000 to today.

Published on the occasion of the exhibition, Markus Lüpertz. Über die Kunst zum Bild at Haus der Kunst, Munich (13 September 2019 – 26 January 2020).

English and German text.

Co-published with Kehayoff.
