

Lynn Chadwick Biester der Zeit / Beast of the Time

£28.00

Lynn Chadwick is one of the pioneering sculptors of British post-war modernism.

The artist's world of motifs developed from abstractions of human, animal and architectonic elements, including his now virtually iconic 'Beasts' in which existential questions and an uncanny sense of humour come together.

Published on occasion of the exhibition, Lynn Chadwick: Biester der Zeit (Beast of the Time) at Georg Kolbe Museum, Berlin (18 May – 15 September 2019).

Co-published with Haus am Waldsee.

English and German text.
