

Carrousel Confessions Confusion 2 Inge Vinck / Momoyo Kaijima / Roger Boltshauser

£28.00

The second volume in a publication project by Jan de Vylder.

Within these 64 pages in zine format on invitation of the Belgian architect and ETH professor, friends and colleagues each receive carte blanche to present important and significant influences on their work.

In this second season, Inge Vinck presents Patrice Mottini's Maison Solaire; Momoyo Kaijima the house La Mémé by Lucien Kroll; and Roger Boltshauser works of art by Otto Mueller, Trudi Demut and Hans Josephson.

The architects present the unusual positions with their own texts and source materials like plans, drawings, sketches, the projects are documented photographically by Filip Dujardin, and finally each of them is contextualised by the architectural historian Maarten Delebeke, who contextualises the works both in their historical significance and their contemporary echo.

Comprised of three zines housed in a box.
