

A. R. Penck  
How It Works

£48.00

This elaborately designed book features over two hundred of A. R. Penck's paintings, drawings and sculptures, some of them reproduced here for the first time.

Together, they provide an excellent retrospective of the works of an artist who paved the way for a new concept of art in Germany after World War II.

'A. R. Penck – How it works' is impressive proof that Penck was an artist who sought freedom and found it.

English and German text.

Co-published with Kehayoff.
