

Key title information

Alicia Frankovich Outside Before Beyond

£28.00

Outside Before Beyond is the first comprehensive monograph on Alicia Frankovich.

The publication is structured by central works by this New Zealand artist from the past five years.

Starting with the performance, *World is Home Planet* (Basel, 2016), continuing with the solo exhibition, *Outside Before Beyond* (Du?sseldorf, 2017), the performances, *Twins & Lovers* (Du?sseldorf/Glarus, 2017) and, *Atlas of the Living World* (Amsterdam, 2017 /Melbourne, 2018).

Also featuring the billboards *After Blue Marble* (Bregenz, 2018), it concludes with her last comprehensive solo exhibition *Exoplanets* at MUMA – Monash University Museum of Arts, Melbourne (2018).

Together with numerous illustrations and new essays by Karen Archey, Rosi Braidotti, Eva Birkenstock, Daniel Falb and Hannah Mathews, this publication provides an essential basis for a long-term scholarly engagement with the post-humanist endeavours of Alicia Frankovich.

Product Details
