

## Pivotal Moments

£9.00

How can the arts sector better support artists at key stages in their practice?

Pivotal Moments is a publication edited by the artist Sonya Dyer that follows SPACE's symposium in September 2018. In it, artists Keith Piper, Helen Johannessen, Erica Scourti and Tessa Norton reflect on their own experiences as professional artists.

Other texts question the meaning of 'mid-career' and its relevance to artistic development, and explore the idea of artists as entrepreneurs in relation to SPACE's artist development programme London Creative Network and business funding.
