

André Butzer

Press Releases, Letters, Conversations,
Texts, Poems 1994 - 2020. Volume 2

£32.00

With more than twice as many pages, even rarer sources and an urging immediacy, the second volume of André Butzer's collected writings, thus surely, is double the fun.

With 20 plus conversations, let alone over 200 poems, the book offers personal access right into the middle of André Butzer's unique artistic thinking, illuminating both his practice as well as his biography.

Once more, editor Alexander Linn has upped the ante with this seminal collection, suitable for enthusiasts and experts alike.

German, English and French text.
