#### The Sea of Darkness

£24.00

The catalogue 'The Sea of Darkness' contains a fiery warning from the American marine biologist Ayana E. Johnson to protect the oceans, an interview with the artist Claudia Comte and a detailed documentation of the exhibition 'The Sea of Darkness' in the Kunstraum Dornbirn.

Claudia Comte created an installation that immersed visitors in an artificial landscape: undulations on the ceiling were resumed in the arrangement of the 40 specially made sculptures.

Published on occasion of the exhibition 'Claudia Comte: The Sea of Darkness', 3 December 2020 – 18 April 2021, Kunstraum Dornbirn, Austria.

German and English text.
