

## Natalia LL

### The Mysterious World

£24.00

Natalia LL radically broke with the cool rationalism of conceptual art in the 1970s.

With her series of pictures of young women eating bananas, sausages or ice cream with relish she created iconic feminist images: Consumer Art.

The promise of sensuality and eroticism in conventional advertising messages is articulated in her works as a self-confident feminist stance.

Published on occasion of the exhibition 'The Mysterious World: Natalia LL', 14 April – 26 September 2021, Francisco Carolinum, Museum of Modern and Contemporary Art, Linz, Austria.

English and German text.
