

Gelatin Gelitin Atlas

£58.00

Gelatin are four artists who have been working together since 1993. They live and work in Vienna, Austria.

This book pictures all their exhibitions from 2008 to 2022. It's called ATLAS because the content is arranged alphabetically by the cities where they've shown their work. From Antwerp to Zurich...

ATLAS is the follow-up publication to GELATIN'S ACB (Walther König, Cologne, 2008), which covers their work until 2008.

Every single book is unique. Each linen cover was individually designed by Gelatin. The artists carved their names into shoe soles, walked through paint and across the linen cover.
