

Atelier 10 Now We Are Ten

£32.00

In the artistic landscape, *Atelier 10* is an unusual project in several senses. This art platform established both an atelier for artists and a gallery for exhibitions in a former baking factory.

With the goal of filling a gap in the sponsoring and perceptual offerings of the art world, *Atelier 10* primarily supports the artistic achievements of persons with health-related or cognitive disabilities.

Categories such as Art Brut or Outsider Art have been used in previous decades in order to give a name to art from this dynamic field. *Atelier 10* stands for the endeavour to operate beyond these classifications and to situate art at the centre of a society's cultural life.

Features text contributions from Astrid Kury, Gabriele Ludescher, Ann Muller and Florian Reese.
