

Demonstrations and Details from the Facts of Life

Lyndal Jones

£7.95

This 12 page catalogue illustrates 'the facts of life' – a new interactive installation by leading Australian artist Lyndal Jones. The artwork questions Charles Darwin's theories of sexual selection and the nature of human attraction and seduction. It is a powerful piece that uses large scale video projections, sound and interactive sensor devices to enthrall the viewer and explores aspects of intimacy, attraction and relationships. A critical essay is included.
