

Kromme Elleboog

Peter Friedl

£6

For the exhibition Play-use Peter Friedl interviewed a number of children in playgrounds in the immediate vicinity of the Witte de Withstraat, close to the Witte de With, centre for contemporary art in Rotterdam. Kromme Elleboog is the name of the street where the interviews first took place. Four of the interviews were published in From #3. In this book all the interviews have been collected and translated into English.
