

## Stacked Hotel Room

Adam Dade & Sonya Hanney

£6.95

This title has been published alongside the exhibition Stacked Hotel Room by Adam Dade and Sonya Hanney at the Ikon Gallery (November 2002 – January 2003).

The exhibition has a modesty which belies its radical proposition. Its reorganisation of hotel room interiors done in private, only visible subsequently through photographs and video documentation, hints at an authentic conceptualism. The coalescence of fixtures and fittings into a sculptural assemblage, to return to the order enjoyed by these objects before the artists' occupancy, raises vital questions concerning the nature of all creative effort, let alone that manifested within the boundaries of innovative contemporary art.
