The Garden of Eden Faisal Abdu'Allah

£5

This publication is a celebration of – and a new look at – Abdu'Allah's installation The Garden of Eden, commissioned by Autograph ABP with Chisenhale Gallery, and shown in autumn 2003. Its unique design offers a way of experiencing the installation, representing its physicality – where word and structure collide, different pathways are offered – as the reader flicks through an ever-rotating script. Includes sketches and architectural plans by David Adjaye.
